Hi Amy,

Per our conversation the other day, I am emailing you a note to voice our support for any action regarding historic preservation or even historic conservation districts to be established in the town of Zionsville. Vicki and I have lived here, in the same house, for 45 years. During that time we have seen / and been part of efforts to do this, and are aware of all the forces at work to prevent any such thing from happening. So we are not optimistic about the chances. However, we feel it would be a great benefit to the town.
